Travel with Heart

Explore with Passion

Marija Kapiteli

Founder of Croatia Times Travel

As I reflect on the past year, I'm reminded how travel continues to connect us to places, to people, and to ourselves. 2025 was a year filled with renewed energy, as our travellers once again found joy in exploring Croatia's glittering coastline, Slovenia's green heart, Italy's timeless towns, and Greece's sunlit islands.

These journeys reaffirmed what we've always believed: that travel is most meaningful when it's personal, considered, and full of heart.

After three decades of creating journeys that connect travellers to the heart of Europe, our passion remains as strong as ever. Looking towards 2026, that same spirit continues to guide us.

Our team remains dedicated to curating experiences that blend authentic encounters with effortless travel - from the gentle rhythm of a small ship cruise to the freedom of tailor-made exploration.

Sharing these destinations with you is not just our work, it's our passion, and we look forward to turning your 2026 travel dreams into beautifully personalised experiences.

The Year Ahead

2026 promises an inspiring year of travel, filled with new ways to explore the Adriatic and beyond. Croatia, recently voted Europe's Best Country to Visit, continues to inspire travellers with its breathtaking coastline, rich culture, and warm hospitality. Our journeys through Slovenia, Italy, and Greece celebrate that same sense of connection, combining natural beauty, heritage, and authentic local life.

Our Signature Tours & Cruises remain at the heart of what we do, blending small group touring and boutique Adriatic cruising to showcase Croatia and Slovenia in the most personal and meaningful way. Alongside these, our Tailor Made holidays with independent travel options offer the freedom to explore Europe's most captivating corners at your own pace.

In 2026, we invite you to travel with curiosity and intention, to pause, connect, and discover the places that move you. Whether sailing crystal-clear seas, tasting local cuisine, or wandering centuries-old streets, each journey is crafted to remind you why travel truly matters.

Cruises and Hotels Cruise & land accommodation "from" & "to" prices are calculated in the lowest twin share room & cabin category in NZ\$. Prices change during conventions, congresses, fairs & special events and are subject to currency fluctuation. Hotel categories guide subject to change: 5* (Deluxe), 4* (Superior), 3* (Standard). Where a named vessel or accommodation is not available, the right is reserved to substitute the cruise and accommodation from those named in your travel arrangements. Single room standard in Europe usually means a small room with single bed. If a larger room or bed is required, this may be requested as 'Twin or Double room for Single Use' and is at an additional cost. Twin rooms may have either twin or double beds. It is common in Europe to join two twin beds & use as a double bed (French bed). Triple rooms usually consist of two twins or one double bed plus rollaway, or sofa bed as third bed. Hotel standards & services may vary from those of New Zealand. Twin share: If there are two or more of you travelling together on a twin share basis and one traveller elects to cancel, the cost of the cruise cabin and/or land accommodation may be adjusted to reflect single occupancy. Bed Tax: some accommodation charge a bed and city tax payable on arrival. Cruise Port Taxes & entrance fees are payable on arrival unless otherwise stated.

Maps & Images Some photos and maps may not be to scale, and may be enhanced, these are provided as general information. Travel Advice We recommend that you contact the Ministry of Foreign Affairs and Trade or visit their website: www.safetravel.govt.nz for general travel advice, including safety alert levels relating to the destination you wish to visit. You can also register your travel plans with SafeTravel, so that you may be easily contacted in an emergency. If you are not travelling on a NZ passport, check with the issuing authority.

Service Satisfaction If during your holiday, you encounter any situation where the service supplied to you does not meet your expectation, please take the matter up with the Supplier immediately. Your contract for each service is with the Supplier. If this is not possible immediately, or if you are still dissatisfied, contact your travel agent. Both we & your travel agent will endeavour to investigate on your behalf with the Supplier to resolve the matter.

Procedures for Complaints/Legal Claims It is important that all claims are reported in writing to the local handling agent, service provider or Supplier at the time of occurrence and a copy must be emailed to Croatia Times Travel prior to departing the country of occurrence. All refund claims must be submitted to Croatia Times Travel within 7 days of completion of the travel services and arrangements. No refund will be made for any unused service (or portion thereof) and/or for any reason once the client has departed from New Zealand provided we have carried out the service with reasonable skill and care, and you may not be entitled to a refund from any Supplier.

Jurisdiction Any claim or legal action in connection with the provision of our services to you will be governed by the laws of New Zealand. Any claim or legal action against the Suppliers is likely to be subject to the terms of your contract with them & may be governed by the laws of other countries.
