

## MS EQUATOR

**MS Equator** was built in Split shipyard for summer 2017 according to newest European standards. With its perfect size, manoeuvring abilities and its elegant 18 cabins this newly built, yacht-like ship will satisfy your refined expectations for a comfortable cruising along the Adriatic Coast. Ship has a length of 39m & width of 8m, with two powerful engines + three generators for A/C system and 220V, with standard cruising speed of 9 knots, bow thrusters and all electronic equipment. Construction material is steel with mahogany and iroko wood. She has 18 very spacious cabins with private facilities and A/C, providing elegance cruise for up to maximum 36 passengers. Experienced crew will make your cruise unforgettable. Passenger cabins are situated on two decks while crew members are accommodated in separate living quarters reserved for them. All guest cabins are very comfortable, fully A/C, with independent ventilation system for fresh air all the time, conveniently designed with modern private ensembles, toilet and shower in cabin. All cabins are equipped with beds in size of 200cm x 80cm or 200cm x 160cm with independent A/C control, satellite LCD TV in cabins, designed wallboards, working table and chair, mirror, night lamps, safe deposit box, radio, hair dryer, 220V electric supply, lifejacket, wardrobe and luggage space under bed, as well as the latest safety & fire alarm and sound system for notification of a Cruise Director or Group Leader. Lower Deck cabins have two portholes and dual ventilation system while Main Deck cabins have large cabin window and porthole in bathroom. Cabins have fire-proof doors. Cabins are twin or doubles.

## Public Areas

Large fully A/C salon-restaurant with more than 70m<sup>2</sup> is on the Upper Deck where guests can have their privacy. It is more than big enough for all passengers, equipped with bar and big screen LCD TV and each table has an easy-access chairs. There is a corner table for buffet breakfast, WiFi is free of charge for all clients, loud-speakers, audio-system and microphone for notifications throughout entire ship or just restaurant area. It features beautiful, large windows for complete passenger's satisfaction. Outside terrace is more than 50m<sup>2</sup> in size with sitting area, tables and chairs that is fully covered, large enough for all passengers to have breakfast outside or just do nothing and enjoy. This area can be closed with removable plastic windows (in case of winds) but most of the time it's open for a breathtaking sea view. Kitchen (galley) is made in accordance with the newest HACCP standards. The ship has platform for swimming, 2 ladders with handholds for an easy access to the water and two outdoor showers and public toilets. Bathroom towels will be changed every second day while clients can rent beach towels on the spot. Linens will be changed in the middle of the week, while daily cabin cleaning service is included in the package. Sun Deck is situated on the top deck and covers 200m<sup>2</sup>, with sunbeds for passengers. The fence is 110cm high for the safety of the passengers. This is the best part of the ship for those who enjoy sunbathing while part of a Sun Deck is shaded for clients comfort. Here you can enjoy the "Elegance Rooftop Jacuzzi" with its pertaining facilities, designed to ensure an unforgettable cruise.

## MS EQUATOR Deck Plan

## Cabin Configuration

### LOWER DECK (8 CABINS)

Cabin Size: 12-14m<sup>2</sup>

4 Twins  
4 Doubles

### MAIN DECK (10 CABINS)

Cabin Size: 11-13m<sup>2</sup>

2 Twins  
8 Doubles

### UPPER DECK

Resturant Areas

### SUN DECK

#### Lower Deck

Eight cabins 12-14m<sup>2</sup> in size with double or twin beds. These cabins are equivalent or larger to other cabins in terms of comfort, they are situated under Main Deck where sea influence and boat shaking is minimized, as well as the noise from city cafe music or other boats during summer nights. Standard cabins have entrance doors from the inside of the ship and have two porthole that cannot be opened due to security reasons, but there is a perfect dual ventilation system and A/C in a cabins that are much cooler.

#### Main Deck

Ten cabins 11-13m<sup>2</sup> in size with double or twin beds.
